

## Other benefits of membership:

**Discounts:** NAW members benefit from a discount scheme that offers savings from a large number of suppliers, including retail chains and major outlets.

**Insurance:** We have a public liability insurance policy that covers members in their activities at affiliated clubs and public events.

**Information:** We provide an online platform for our members to obtain information about woodwork activities nationwide, contact information for NAW member clubs and affiliates, health and safety advice, native timber identification and MPI regulations, and extensive photo galleries and exhibitions.

**ZOOM club:** We host a monthly online meeting / discussion with live demonstrations / participation activities.

**Special Events:** NAW members benefit from discount admission and participation opportunities at symposiums, demonstrations, seminars and workshops featuring top local and international woodworkers and instructors.

**Training:** We support various third party providers to deliver training courses, including a National Certificate in Woodturning.

**Opportunities:** We sponsor, support and endorse woodworking related exhibitions, events, programmes and competitions throughout New Zealand.

New Zealand**

## Why join NAW?

Plain and simple,  
you are enthusiastic  
about woodworking.

A NAW membership can help you learn and thrive as a woodworker, as well as connect and enjoy fellowship with others who share your passion.

Membership is the fastest way to learn and enhance your woodworking experience and expertise.

## What is NAW?

The national Association of woodworkers was founded over 40 years ago by a group of enthusiastic woodturners spread across New Zealand. We are a non-profit organisation whose purpose is promoting, fostering and encouraging the arts of woodcraft including woodturning, general woodworking and other crafts like carving, scrollsawing, marquetry, marbling, pyrography and furniture making.

**CREATIVE WOOD** is our flagship high quality magazine; produced four times a year and mailed free to all members. It includes news, upcoming events, and technical information in instructional articles, features stories on people, projects and techniques, and provides a directory of affiliated woodworking groups around New Zealand.
