

# **Kāpiti MenzShed Sale Day**

**14<sup>th</sup> March 2026**

**22b Rangihiroa Street, Waikanae**

**Gates open to the public 9.00am to 12.30pm**

- As signalled earlier, the annual MenzShed sale of goods will be taking place on Saturday 14th March.
- As in previous years, the Guild has been invited to set up a stall for the sale or display of items made by our members.
- Our usual sales processes will be in place. If you will be bringing items for sale, please make sure each one has your initials and a unique code number attached.
- You will also need to provide a record sheet that has your name clearly at the top, and that lists all of your sale items with their codes.
- We need at least six people to help set up the Guild's gazebo at 8.00am, and then to help set up sale/display tables.

Even if you do not have anything for sale or display, you are still most welcome to come along (don't forget your wallet!).
